

Welcome

The Lighthouse Church welcomes you.

If you are new, please introduce yourselves; we are glad that you joined us today. Please feel free to ask about what goes on in the week.

About us

The Lighthouse Church was established as Bethel Church in 1946. Mrs. Dimmer, along with a small group of people, who believed that the time was right to begin a new expression of the life of Jesus in Sandown.

Over the last 70 years, God has brought together a family of his people from all walks of life and nationalities. They have established a firm foundation to build upon. It was during 2017 that God gave us a Vision of a Lighthouse for identity, moving forward into the new season, with a purpose of:

Reaching the Lost
Discipling the Found
Serving the Risen King

It is our desire to communicate in words and actions the "Good News" of the Kingdom of God, inviting as many people as possible to enter in this amazing, unique relationship, seeing lives transformed as we journey together, being disciples of Jesus.

Prayer...

Hello. If this is your first time here, or you've been here for years, we want to welcome you to 'The Lighthouse Church'. We hope that you will be blessed during your time here.

This month we have taken out a week for 'Prayer and Fast', during this time we have sought God for His guidance and direction-for EVERYTHING we do here at TLC. God has spoken this week and we are excited about what lies ahead.

During my devotion this morning I was reading an e-mail I get from a Pastor I respect deeply, this spoke to me so I thought I would share it with you all.

"God always answers every single prayer—just not always the way you want—and he does it in one of four ways.

When the request is not right, God says, "No." Just like parents say "no" to their kids for a hundred good reasons, God doesn't owe you an explanation every time he says "no" to your request.

When the timing is not right, God says, "Slow." There's a big difference between a delay and a denial. "No" and "not yet" are not the same thing, and learning and accepting the difference shows spiritual maturity.

When the request and timing are right, but you're not right, God says, "Grow." He wants to do something in your life before he answers your prayer because you're not yet ready to handle the answer.

When the request is right and the timing's right and you're right, then God says, "Go." God often gives us the green light to our prayers—and it's a reason to celebrate!"

What a great encouragement to us all.

Be Blessed and Highly Favoured,

In Christ,

Pastors Drew & Kerry.
